NOTABLE VITAMINS & MINERALS

- **Sharp provolone:** calcium, vitamin B12, and vitamin A — a genuinely dense contributor on all three even in cube-sized portions.
- **Banana peppers:** vitamin C and vitamin B6, with roasting concentrating the flavor without much nutrient loss.
- **Caramelized onions:** vitamin C and quercetin, a flavonoid antioxidant onions are particularly well known for.
- **Whole wheat flour:** B vitamins, magnesium, and more fiber than an all-bread-flour loaf would carry.

Fermentation is associated with easier digestibility for some people, and these ingredients each bring something real to the table nutritionally.

Estimated, USDA-derived figures — not a lab-verified nutrition label. Baked fresh, no preservatives.
