- 8
- Cool at least 45 min–1 hr on a wire rack, fully cool, then drizzle with the Sunshine Glaze and slice once set.
- 7
- Egg wash generously, then score a sunburst pattern radiating from the center. Bake at 350°F, 35–50 min, tenting if needed, to an internal temp of 190–195°F.
- 6
- Proof at room temp 2–4 hrs until puffy, with a slow poke-test spring-back.
- 5
- Shape cold, straight from the fridge, into a smooth, gently taut boule. Place seam-side down on a parchment-lined sheet.

STEPS 5-8

Sunshine Brioche: A Citrus-Brightened Sourdough Brioche

STEP-BY-STEP, CONDENSED

STEPS 1-4

- 1
- Feed your stiff starter 8–12 hrs ahead (the night before) — ready when the dome flattens and just begins to crack.
- 2
- Zest and juice 2 medium oranges: rub 10g zest into the 50g sugar, juice and strain to 150g, keep both cold.
- 3
- Soften torn starter into the cold orange juice & eggs (~5 min), then mix in flour & zested sugar, then salt. Develop to a rough windowpane before adding butter in stages. Target DDT 74–76°F.
- 4
- Bulk ferment: cold retard 12–16 hrs in the fridge (recommended), or 4–6+ hrs at room temp. Look for puffy, jiggly dough with a slow poke-test spring-back.
